

## Parks Hostels and Recreational Areas

### Step Area: Environment **Vias processing:**

### Parks and recreation areas

In the IACO you can apply for permits to stay in camping areas, either collectively (with capacity of more than 10 people) and areas of reduced camping (maximum 10 people). Permits may be processed directly on the ICAO (C / Bravo Murillo, 23 accessed by the C / Pérez Galdós, ground floor. Las Palmas), be reserved by contacting by phone (928 219 229), enabled by our form website [www.grancanaria.com](http://www.grancanaria.com) or send a general request by fax (928 219 425). This reservation is provisional and should pick up your permit after having identified with ID and sign the permit by the city within three days going to the ICAO. If you want to sign and collect your permission at any Agricultural Extension Agency Cabildo, you must first comment on reporting technical IACO. They may also be authorized to collect which will be necessary to present a standardized along with the ID of the authorizer.

To go to the Recreational Areas not permit required except for large and / or to perform specific activities groups. In any case you will need to ask permission to go to the Recreation Area The Heath Santa Cristina. To apply for stay must contact IACO by phone (928 219 229), in person (C / Bravo Murillo, 23 accessed by the C / Pérez Galdós, ground floor) or by sending a general request by fax (928 219 425) with at least 3 days in advance.

The use of shelters is restricted to legally constituted groups must submit an application at the Department of Environment (C. Agustín Millares Carló s / n, 1st Floor, Las Palmas de Gran Canaria).
